Ensure the referee has directions to your venue.
3. Get your players to the ground in plenty time to kick off on time.
4. Greet your opposition and the match officials on arrival.
Make them feel welcome.
5. Enquire the referees name to ensure it's the person you expected.
6. Present the match ball properly inflated to the referee.
7. Complete the match/team sheet.
8. Get together with the opposing team manager 15 minutes prior to kick off, and enter the referee's room, when invited.
9. Exchange one copy of the team sheets with the opposition manager, and provide one copy to the referee.
Allow the referee to check the sheets, shake hands then return to finish your pre-match with the players.
10. Be ready to kick off on time.
11. After the match, pay the officials in their dressing room.
(see Payment of Match Officials)
12. Refreshments are to be provided for the away team and match officials after the game.

Procedure For Pitch Inspections

1. In the event of bad weather, clubs must do everything possible to ensure their pitch is in a playable condition.
2. Clubs must try to ensure visiting teams are not caused unnecessary travel.
3. Once in attendance, only appointed referees have the power to decide on the fitness of the grounds.
The referee's decision is final.
4. A Match Postponement Form (available from the website) must always be completed and returned by the home team to the Fixtures Secretary.
5. Prior to the appointed referee's attendance, matches should where possible, be inspected for reasons of unfit playing surface by an alternative registered referee. That referee should complete the relevant form (to be provided by the home team) if necessary, in consultation with the appointed referee.
6. Should this not be possible, then advice must be sought from the Fixtures Secretary, or League Secretary.
7. Teams caused unnecessary travel may be awarded travelling expenses against the home team if it is found that no effort had been made for an early inspection.
8. Where a fixture is postponed due to unfit ground conditions or similar reason more than 72 hours before the scheduled kickoff time, and if the teams have not previously played each other in the season, the fixture shall be automatically reversed to the opponent's normal facility, subject to its availability.

Information for Team Officials :

Dealing with Match Officials

Please greet all match officials, and make them welcome.

The Referee's Fee is £25.

Each Assistant Referee's Fee is £20.

Officials are to travel together where possible, and only one mileage should normally be charged.

Expenses are payable at 25p per mile or exact fare by public transport.

Officials should be paid promptly after the match (usually within 15 minutes) in their dressing room. Officials should not have to come to look for their fees.

For all League games it is the responsibility of the home team to pay the referee and Assistants after the game.

For all Cup games it is the responsibility of both teams to pay the referee and Assistants half fee and expenses each after the game, except in a final, where The Competition pays the officials.

A neutral referee, not appointed by the league, must also be paid full match fee plus expenses.

A referee provided by either team need not be paid.

If a game is postponed and the referee does not attend, NO fee is payable.

If the referee attends the ground and postpones the game before kick off, half the fee plus full expenses are payable.

If the game cannot be played due to one team failing to attend, the referee must be paid full fee plus expenses. If it is the home team that does not attend, it is the responsibility of the away team to pay the referee. Any team so paying the referee will be reimbursed by The League, no later than at the next League Meeting.

The League Secretary must be informed of any non-attendance as per match procedure.

FA Guide To Marking A Referee

The mark awarded by a club must be based on the referee's overall performance. It is most important that the mark is awarded fairly and not based upon isolated incidents or previous games.

The referee's performance should be determined by the table below which should act as a guide for the overall mark which should fall within the mark range for each standard of performance.

Mark Range Comment

100-86 The referee demonstrated very accurate decision-making and controlled the game very well using management and communication skills effectively to add value to the game.

85-76 The referee demonstrated accurate decision-making and controlled the game well using management and communication skills to contribute positively to the game.

75-61 The referee demonstrated reasonably accurate decision-making and despite some shortcomings generally controlled the game well.

60 and below The referee demonstrated shortcomings in the accuracy of decision-making and control which affected the game.

Notes

- Club officials should use the full range of marks within each category to help distinguish between different performance levels, e.g. within the 85-76 category a mark of 84 indicates a better performance than a mark of 77.
- While some referees may have below average performances, there will usually have been some positive aspects of their performance, so extremely low marks should be very rare.
- When club officials are marking a referee, they should always look at the game as a whole and not isolated decisions. The result of the match should not influence the mark and disciplinary action should be judged objectively.
- When a mark of 60 or lower is awarded, an explanation must be provided to The Competition using the box provided on the marking form. The purpose of this is to assist referees to improve their performance levels, so the comments should be as helpful as possible.

How To Decide On The Referee's Mark

The following questions focus on the key areas of a referee's performance. They are intended as an "aide memoire", are not necessarily comprehensive and need not be answered individually. It is, however, worth considering them before committing yourself to a mark for the referee.

Control And Decision Making

- How well did the referee control the game?
- Were the players' actions recognized correctly?
- Were the Laws applied correctly?
- Were all incidents dealt with efficiently/effectively?
- Were all the appropriate sanctions applied correctly?
- Was the referee always within reasonable distance of incidents?
- Was the referee well positioned to make critical decisions, especially in and around the penalty area?
- Did the referee understand the players' positional intentions and keep out of the way accordingly?
- Did the referee demonstrate alertness and concentration throughout the game?
- Did the referee apply the use of the advantage to suit the mood and temperature of the game?
- Was the referee aware of the players' attitude to advantage?
- Did the referee use the assistants effectively?
- Did the officials work as a team, and did the referee lead and manage them to the benefit of the game?

Communication and Player Management

- How well did the referee communicate with the players during the game?
- Did the referee's level of involvement/profile suit this particular game?

- Did the referee understand the players' problems on the day – e.g. difficult ground/weather conditions?
- Did the referee respond to the changing pattern of play/mood of players?
- Did the referee demonstrate empathy for the game, allowing it to develop in accordance with the tempo of the game?
- Was the referee pro-active in controlling of the game?
- Was the referee's authority asserted firmly without being officious
- Was the referee confident and quick thinking?
- Did the referee appear unflustered and unhurried when making critical decisions?
- Did the referee permit undue questioning of decisions?
- Did the referee deal effectively with players crowding around after decisions/incidents?
- Was effective player management in evidence?
- Was the referee's body language confident and open at all times?
- Did the pace of the game, the crowd or player pressure affect the referee negatively?

Final Thoughts

- Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the game.
- Judge the performance over the whole game. Don't be too influenced by one particular incident.
- Don't mark the referee down unfairly because your team was unlucky and lost the game or some disciplinary action was taken against your players.

How to avoid most of the fines

(not the full list of offences but most of the routine ones):

- 1) Communicate well, and remember it's a two-way process. Past experience has shown that most problems occur because team officials have failed to communicate with other parties properly, or assumed that others have received information that has not arrived.
- 2) Read the League Rules, and get your whole management team to read them too.

General:

- 3) Register 16 players by the first league meeting.
- 4) Play registered players only. Players are registered WHEN CONFIRMED by the Registration Secretary.
- 5) Attend league meetings.
- 6) Acknowledge all communications to the sender
Fixtures within 24 hours.
Discipline notices and all others within 48 hours
- 7) Pay League fees within 14 days of the AGM.
- 8) Pay fines and fees within 14 days of issue.
- 9) Apply for postponements 14 days in advance.
(It may not be granted)

Before match-days:

- 10) Confirm the match details with the opposing side
(72 hours or 3 days prior)
- 11) Confirm the match details with the match officials
(72 hours or 3 days prior)
- 12) Fulfil the fixture.
- 13) Arrive at the ground in plenty of time to prepare and kick off on-time.

Continued....

North West Youth Alliance Football League Competition Rules

1. Nomenclature And Constitution

A) This Competition shall be designated the North West Youth Alliance (NWYA) Football League and shall consist of not more than 60 teams who shall be Full Members. For the purposes of these rules League and Cup competitions organised by the NWYA shall be known as “The Competition”.

All such Member teams must be affiliated to an affiliated County Football Association and their names and particulars shall be returned annually by the appointed date on the Form “D” to the Lancashire County Football Association. The Management Committee shall specify the area covered by The Competition Membership from time to time.

This Competition shall apply annually for sanction to the Lancashire Football Association and the constituent Member teams may be grouped in divisions.

All teams playing in The Competition shall be treated as separate for all purposes covered by these rules (for example, player registration and transfer, and voting) including when more than one team is entered by a Club. Thus all teams must have names different from all other teams in the competition. (“A” and “B” team names are permissible).

Member teams shall not enter into any other Competitions (with the exception of F.A. and County F.A. Competitions) except with the written consent of the Management Committee of The Competition.

The Competition will provide 11-a-side football for players who have attained the age of 15 but are under the age of 18 as at midnight 31st August in a playing season.

2. Entry Fee, Subscription, Deposit

- A) Applications by Clubs for admission of their team to this Competition or the entry of an additional team must be made in writing to the Secretary or his nominee, and must be accompanied by an Entry Fee of £50 per team which shall be returned in the event of non-election, or deducted from the first year's subscription after election.

At the discretion of a majority of the accredited voting members present, applications, of which due notice has been given, may be received at the Annual General Meeting or a Special General Meeting. The Entry Fee shall apply.

- B) The Annual Subscription shall be £120 per Team payable 14 days after the AGM. An administration charge of £10 is payable for each full or part week late in payment.
- C) Each team shall, by the AGM, pay a Deposit (also known as a "bond") of £50 that shall be returnable to teams on leaving The Competition provided they have fulfilled their fixtures and complied with all orders of the Management Committee.
- D) A team shall not participate in this Competition until the Entry Fee, Annual Subscription and Deposit have been paid.
- E) Teams must advise annually to the Secretary in writing by the AGM of its County Football Association affiliation number for the forthcoming Season, failing which they shall be fined £50 and all fixtures suspended until the League Secretary receives the required information.

Teams must advise the Secretary in writing, on the prescribed form(s) and questionnaire(s) of details of its Headquarters, Officers and any other information related to the subsequent season, required by The Competition. Failure to do so within 2 weeks of the AGM will result in a fine of £25 and the suspension of fixtures until the information is received.

- F) All Fees, Charges and Fines must be paid by crossed cheque, postal order or equivalent, payable to "NWYA Football League".

Cash is NOT an acceptable means of payment.

3. Officers

- A) The Officers of The Competition shall be the President, Vice-President, Chairman, Vice-Chairman, Treasurer, Secretary, Registration Secretary, Referees Secretary, Fixture Secretary, Discipline Secretary, Referees Liaison Officer, Press Officer and Welfare Officer to be elected annually at the Annual General Meeting. (N.B. Auditors are not Officers).

4. Management, Nomination, Election

- A) The Competition shall be governed in accordance with the Rules and Regulations of The Football Association by a Management Committee comprised of the Officers and two team Representatives who shall be elected at the Annual General Meeting. All Participants shall abide by The Football Association Regulations for Safeguarding Children as determined by The Association from time to time.
- B) Retiring Officers shall be eligible to become candidates for re-election without nomination. All other candidates for election as Officers or Members of the Management Committee shall be nominated to the Secretary in writing, signed by the Secretaries of two Member teams, not later than 31st March in each year. Names of the candidates for election shall be circulated with the notice of the Annual General Meeting. In the event of there being no nomination in accordance with the foregoing for any office, nominations may be received at the Annual General Meeting
- C) The Management Committee shall meet as often as is necessary to deal with business as it arises.

On receiving a requisition signed by two-thirds of the Members of the Management Committee the Secretary shall convene a meeting of the Committee.

- D) Except where otherwise mentioned all communications shall be addressed to the Secretary who shall conduct the correspondence of The Competition and keep a record of its proceedings.
- E) All communications received from teams must be conducted through the team Representative Officer.
- F) Persons who have given distinguished service to the League may be invited to become Life Vice Presidents; these will be nominated by the Management Committee for ratification by the member teams at the AGM.

(See Rule 6E).
- C) Each Member of the Management Committee shall have the right to attend and vote at all Management Committee Meetings and have one vote thereat, but no Member shall be allowed to vote on any matters directly appertaining to such Member or to the team so represented. Except where these Rules provide for the imposition of a set penalty any team, Club Official (limited to Chairman, Secretary or Treasurer) or Player alleged to be in breach of a Competition Rule must be formally charged in writing and given the opportunity to present their case before the Management Committee. Financial penalties can only be imposed if included within the set penalties for breaches of Competition Rules. All breaches of the Laws of the Game, Rules and Regulations of The Football Association shall be dealt with in accordance with F.A. Rules by the appropriate Association.
The maximum fine permitted for any breach of a Competition rule is £250 and, when setting any fine, the Competition must ensure that the penalty is proportional to the offence, taking into account any mitigating circumstances.
- E) All decisions of the Management Committee shall be binding subject to the right of appeal to the Board of Appeal in accordance with Rule 16.

These notices must be acknowledged by email within 48 hours to the address from which they are sent, and any other address specified in the notice, or by letter or phone call to the Discipline Secretary in the same timescale. (Payment of fines or charges will also constitute acknowledgement.) A fixed administration charge of £5 will be imposed for failure to acknowledge.

Appendix 5 FA Code of Conduct

FIFA's Code of Conduct for football encapsulates all the sporting, moral and ethical principles for which FIFA has always stood and for which it will continue to fight in the future, regardless of the influences and pressures that may be brought to bear.

The ten golden rules not only serve as a credo for FIFA as the world football body, but they also reinforce the sense of fraternity and cooperation among the members of the worldwide football family.

1) Play to Win

Winning is the object of playing any game. Never set out to lose. If you do not play to win, you are cheating your opponents, deceiving those who are watching, and also fooling yourself. Never give up against stronger opponents but never relent against weaker ones. It is an insult to any opponent to play at less than full strength. Play to win, until the final whistle.

2) Play Fair

Winning is without value if victory has been achieved unfairly or dishonestly. Cheating is easy, but brings no pleasure. Playing fair requires courage and character. It is also more satisfying. Fair Play always has its reward, even when the game is lost. Playing fair earns you respect, while cheats are detested. Remember: It's only a game. And games are pointless unless played fairly.

3) Observe the Laws of the Game

All games need rules to guide them. Without rules, there would be chaos. The

rules of football are simple and easy to learn. Make an effort to learn them, so you understand the game better. This makes you a better player. It is just as important to understand the spirit of the rules. They are designed to make the game fun to play and fun to watch. By sticking to the rules, you will enjoy the game more.

4) Respect Opponents, Teammates, Referees, Officials and Spectators

Fair Play means respect. Without opponents there can be no game. They have the same rights as you have, including the right to be respected. Your teammates are your colleagues. You form a team in which all members are equal. Referees are there to maintain discipline and Fair Play. Always accept their decisions without arguing, and help them to help you enjoy the game more. Officials are also part of the game and must be respected accordingly. Spectators give the game atmosphere. They want to see the game played fairly, but must also behave fairly themselves.

5) Accept Defeat with Dignity

Nobody wins all the time. You win some, you lose some. Learn to lose graciously. Don't seek excuses for defeat. Genuine reasons will always be self-evident. Congratulate the winners with good grace. Don't blame the referee or anyone else. Determine to do better next time. Good losers earn more respect than bad winners.

6) Promote the Interests of Football

Football is the world's greatest game. But it always needs your help to keep it as Number One. Think of football's interests before your own. Think how your actions may affect the image of the game. Talk about the positive things in the game. Encourage other people to watch it or play it fairly. Help others to have as much fun from football as you do. Be an ambassador for the game.

7) Reject Corruption, Drugs, Racism, Violence and other Dangers to our Sport

Football's huge popularity sometimes makes it vulnerable to negative outside interests.

Watch out for attempts to tempt you into cheating or using drugs. Drugs have no place in football or any other sport or in our society. Say No to Drugs. Help Kick Racism out of Football. Treat all players and everyone else equally, regardless of their skin colour or origin. Show that football does not want violence, even from your own fans. Football is Sport, and Sport is Peace.

8) Help Others to Resist Corrupting Pressures

You may hear that teammates or other people you know are being tempted to cheat in some way. They need your help. Don't hesitate to stand by them. Give them the strength to resist. Remind them of their commitment to their teammates and to the game itself. Form a block of solidarity, like a solid defence on the field of play.

9) Denounce Those who Attempt to Discredit our Sport

Don't be ashamed to show up anybody who you are sure is trying to make others cheat. It's better to expose them and have them removed before they can do any damage. It often takes more courage to denounce what is wrong, than to go along with a dishonest plan. Your honesty will be admired but your complicity will not. Don't just say No. Denounce the culprits who are trying to spoil our sport before they can persuade somebody else to say Yes.

10) Honour Those who Defend Football's Good Reputation

The good name of football has survived because the vast majority of people who love the game are honest and fair. Sometimes somebody does something exceptional that deserves our special recognition. They should be honoured and their fine example made public. This encourages others to act in the same way. Help promote football's image by publicising its good deeds.
